The Venue

A grand entrance

Both the Stone Hall and Assembly Room are accessed via the historic porch. The carved wooden staircase offers a grand entrance and sets the tone for your event.

The Stone Hall

Functions for up to 120 guests

The Stone Hall also known as the Trinity Guildhall dates from 1421 and is Grade I listed. The great south window floods the room with light and along with the impressive floor, of Ketton stone, and great oak beams, creates a real sense of occasion. The window contains numerous panes signed by plumbers and glaziers who worked on the window during the 18th and 19th centuries. The hall is decorated with imposing portraits including the first portrait of King George VI and Queen Elizabeth the Queen Mother, presented to the town by Queen Elizabeth II.

The Assembly Room

Functions for up to 180 guests

Completed in 1768 and featuring five stunning chandeliers, the Assembly Room and adjacent Card Room were restored in 1988 with their original 18th century colouring. Portraits include those of famous local figures and royal subjects painted by local artists including King Charles I, Sir Robert Walpole, King George III, King William III, Queen Mary II, Admiral Lord Nelson (born nearby at Burnham Thorpe), Captain George Vancouver and Fanny Burney.

Card Room

The Card Room also features a stunning chandelier and is dominated by the fine Rococo pier glass mirror of around 1750. It is surmounted by a basket of fruit and foliate with ribbon swag decoration. It is made of Scots pine and restoration has revealed the original water gilding.

To find out more about how the rooms can accommodate your needs, please speak to a member of our team.

All areas available for hire are fully accessible, with lift access. The pay and display car parks in front and behind the complex include bays for disabled parking.

We welcome assistance dogs and a hearing loop is available for use in the Assembly Room (please let us know if this is required).

We do ask you to let us know how many of your guests will require lift access so that we can make appropriate provision should there be an emergency.*

**For reasons of health and safety it may be necessary to limit the number of people requiring lift access/assisted evacuation.*

Eating, drinking and entertainment

We do not provide caterers but do have a fully equipped kitchen for your chosen caterer to prepare hot or cold food.

Bar facilities are provided offering a range of beers, wines, spirits, cocktails and soft drinks. Please note that hirers are not permitted to supply any drinks (soft or alcohol) when utilising bar services.

The room hire fee is inclusive of the use of tables and chairs. All tableware, including table cloths, crockery and cutlery should be arranged by your caterer.
